Subject: 2011 STIP Amendment 5

Enclosed is Amendment 5, dated October 12, 2011, for the 2011-2015 STIP, dated May 2011.

Amendment 5 shows the applicable project numbers along with the phases we wish to program. This amendment represents the projects and phases for which we need FHWA approval. Additionally, we are acknowledging the Missoula FFY 2011-2015 Transportation Improvement Program (TIP) Amendment I by reference. Also attached is an updated checklist.

The subject projects will not require a revised air quality conformity finding or transfer of funds between FHWA and FTA. Consequently, this amendment will not require FTA approval. Please review and approve Amendment 5.

If you have any questions, please contact Paul Johnson at 444-7259.
